Can the leaves of the trees and the flowers of the earth be wrong? Their lives are short but full of beauty that glorifies their maker. Praise God because He allowed us to share their beauty and thank Him for making that beauty eternally His.

B-TEAM CHEERLEADERS

HEAD CHEERLEADER. Kay Sanders.

A new tradition was begun at Fairfield this year. The varsity cheerleaders breathed sighs of relief and the freshman cheerleaders were equally happy—when it was learned that there was to be a third squad of cheerleaders for the “B-Team” games. Try-outs were held early in the year so that the B-Team cheerleaders could get in on the last action of football season. The girls have done a good job and have proved that a B-Team cheering squad is necessary for Fairfield’s sports involvement.
